HOW TO MAKE AN EGG

1. Rinse the embroidered lace under running water. Leave most of the stabilizer in the lace. Make a form of paper in the shape of an egg. Form the lace onto the paper form. Pin, spray starch and let dry (ill.1).

2. Sew the sides together.
Version #1 - sew the parts together edge to edge for a round shape.
Version #2 - sew the parts wrong sides together (ill. 2).

3. If necessary to get the egg shape. leave an opening when sewing the last side together. Fill the egg with paper and form into an egg shape. Spray starch and let dry (ill.3).

4. Take away the filling and close the opening. Add a ribbon as hanger for the egg (ill.4)

Tip! Fill your egg with a nice fabric, sparkling pearls or anything else you like. Embellish your lace egg to make it the most beautiful egg ever! Enjoy!
