Endless
Hoop

Cut Edge

Design #1, 2, 4, 5, 8, 10, 12, 13, 15, 19, 21, 30

Endless Designs with cut edge. Trim the fabric outside the cut edge with a scissor in the end of the embroidery.

Design #8, 12, 13, 25, 26, 30.

In these designs you will not trim the appliqué fabric in the bottom of the embroidery. Cut a piece of fabric in the length of the border you will embroider, and let the appliqué fabric follow the bottom fabric when you rehoop for the next design. Follow the information next to design in the booklet to see when it's time to add the appliqué fabric. This will help you create a beautiful borde with appliqué fabric without any breaks.
