

Under the Tree

Instructions for Designs #1-10

Instructions for Design #1A+1B – Santa Gift Bag

Hoop your stabilizer in **DESIGNER™ Royal Hoop** 14 1/8 x 8 (360x200) and load design #1A.

1.  2418
1039
Add appliqué fabric #1 (the red fabric) between color #1 and #2 over the stitched line. Also add the lining underneath the hoop. Pin outside of the stitching lines.
2.  2418
1039
Trim away excess fabric and lining on the long sides and the upper short side. Remove the pins.
3.  2618
1180
Add appliqué fabric #2 (the beard).
4.  2618
1180
Trim away excess fabric.
5.  2618
1180
Fold appliqué fabric #1 up over the embroidered part. Cut along the lower short side of the stabilizer, and carefully pick up the lining from the back (image #1 & 2).
6.  2418
1039
Trim away excess fabric along the long sides.
7.  2418
1039
Remove the embroidery from the hoop and remove the excess stabilizer.

SUPPLY LIST 1A:

- Red fabric 33 1/2" x 6 3/4" (85 x 17cm)
- Lining 33 1/2" x 6 3/4" (85 x 17cm)
- Fabric/Beard 8 1/8" x 9 7/8" (13 x 25cm)
- Ribbon 27 1/2" (70cm)
- Tear-A-Way Stabilizer 22" x 14" (55 x 35cm) x2
- Assorted embroidery thread

Rehoop and load design #1B. Design #1B will be the cap for Santa.

1.  2418
1039
Add appliqué fabric #1 (red fabric). Also add the lining underneath the hoop. Pin.
 2.  2418
1039
Trim away excess fabric and lining.
 3.  2342
1071
Add appliqué fabric #2.
 4.  2342
1071
Trim away excess fabric.
 5.  2342
1071
Add design #1A right sides together. Place the upper edge/satin seam on design #1A close to the lower satin seam of appliqué.
 6.  2418
1039
#2 on design 1A. Place the remaining part of #1A right sides together with #1B in the hoop (image#3).
 7.  2418
1039
Trim away excess fabric on the long sides. The fabric that is not stitch down in the upper part will be the tassel of Santa's cap.
 8.  2418
1039
- Remove from the hoop and remove excess stabilizer. If you would like to have a tassel without the lining, trim the lining as in image #3.
 - Sew off the corners with 4 cm (image #4).
 - Turn right side out.
 - Add the handle ribbon (70 cm) on both sides next to the opening as a handler (image #5).
 - Sew the button in the middle of the beard (image #6).
 - Sew the short ribbon right above on the cap. Tie the Gift Bag together.
 - Cut strips on the upper part of the cap, tie around to make a tassel (image #7).
 - Add a nice label or card.

Good luck and ENJOY your Santa gift bag!

SUPPLY LIST 1B:

- Red fabric 11 7/8" x 6 3/4" (30 x 17cm)
- Lining 11 7/8" x 6 3/4" (30 x 17cm)
- White fabric 1" x 6 3/4" (5 x 17cm)
- Ribbon 27 1/2" (35cm)
- Button
- Tear-A-Way Stabilizer 22" x 14" (55 x 35cm)
- Assorted embroidery thread

Instructions for Design #2

– Gift bag-Santa's Trousers

Hoop your stabilizer in DESIGNER™ Royal Hoop 14 1/8 x 8 (360x200) and load design #2.

1.  2249
1035
Add appliqué fabric #1 (the red fabric) between color #1 and #2 over the stitched line. Also add the lining underneath the hoop. Pin.
 2.  2249
1035
Trim away excess fabric and lining.
 3.  2372
1247
 4.  2343
1063
Add appliqué fabric #2.
 5.  2343
1063
Trim away excess fabric.
 6.  2343
1063
 7.  2249
1035
- Remove the embroidery from the hoop and remove the excess stabilizer.
 - Embroider design #2 twice.
 - Place them right sides together and sew. Leave the upper side open.
 - Sew off the corners with 2" (5 cm) (image #1).
 - Turn right side out.
 - Stitch a seam in the middle from the top 11cm down (image #2).
 - Sew the ribbons together with the buttons onto the Gift bag. Make a cross with the ribbons in the back. The handler will look like a pair of braces (image #3).

- Assorted embroidery thread

GOOD LUCK and ENJOY your
Gift bag-Santa's Trousers

Instructions for Design #3A+3B – Christmas Tree

Hoop your stabilizer in **DESIGNER™ Royal Hoop 14 1/8" x 8" (360x200)** and load design #3A.

1.  2735 1536
Add appliqué fabric. Also add the lining underneath the hoop. Pin.
2.  2735 1536
3.  1015
4.  1003 7007
5.  1002 7001
6.  1000 7003
7.  2316 1022
Trim away excess fabric 1 cm outside the seam.
Embroider design #3A and 3B twice.

- Trim one of #3A just above the upper seam (image #1).
- Place one design #3B on top of #3A (which is NOT trimmed), Overlap until the outer embroidered seams meet up. Stitch them together with a zigzag or decorative seam (image #2).
- Sew the two #3A right sides together in the bottom (image #3).
- Turn right side out and sew together in the embroidered seam up to the line with stars. Turn wrong side out and sew off the corners with 5 cm (image #4).
- Turn right side out. Place the ribbon with the ends on each side in line with the seam with dots.
- Place the second #3B wrong sides together with the previous #3B and lay the front #3A in place. Pin (image #5).
- Sew the pieces together along the outer embroidered seam with a thin zigzag or decorative seam.

GOOD LUCK and ENJOY your Gift Christmas Tree!

Rehoop in **DESIGNER™ Jewel Hoop 9 6/13" x 6" (240x150)** and load Design #3B.

1.  2735 1536
