

Whole Cloth Quilt

Techniques used in this collection:

HUSQVARNA VIKING® Metal Hoop 240x150mm (Instructions for the Large Metal Hoop on the CD.)

The design starts with four alignment stitches for easy matching when creating all-over-embroidered fabric.

50%

All designs in this collection are shown in 50%.

All designs are stitched with Robison-Anton 40 wt decorative thread. Gütermann Sulky thread numbers are given below the numbers.

All designs in 100% and inspirational images can be found on the CD.

Note: Turn off auto color sort function in computer software before exporting or saving to machine, to keep the embroidery techniques working.
