

Flower Cake Topper

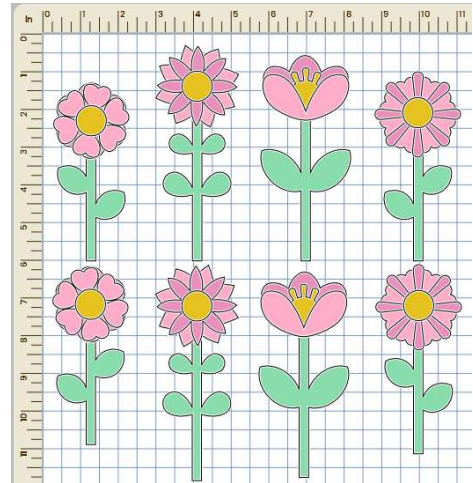

This collection of cake toppers features four different flower designs. Use them to decorate cakes or cupcakes for occasions such as weddings, baby or wedding showers, birthdays, and more. The finished size of one cake topper is approximately 2" x 5" (5cm x 12cm).

What you need

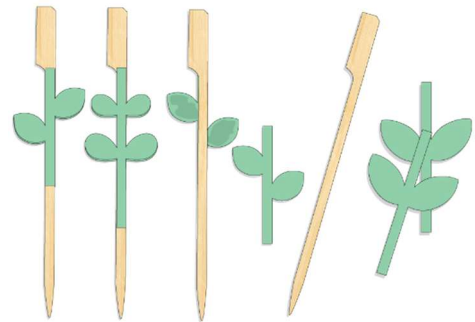

- Medium Cardstock in four different colors (Green, Light Pink, Pink, Yellow)
- Light Grip Mat 12" x 12"
- Basic Blade
- Bamboo Skewers Flat, 8" (20cm) long
- Adhesive

Directions

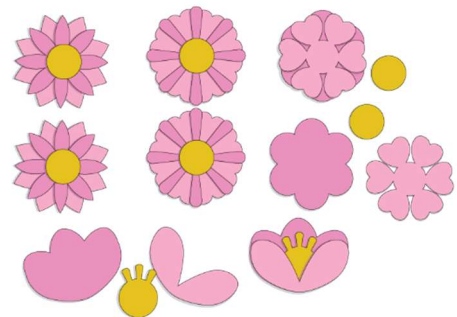

1. Open the project in Canvas. Go to the Output Menu and press Send to Machine. Place the cardstock on your Light Grip Mat. Follow the steps to cut the cardstock on your crafting machine. Remember to 'Rearrange to reduce waste'.

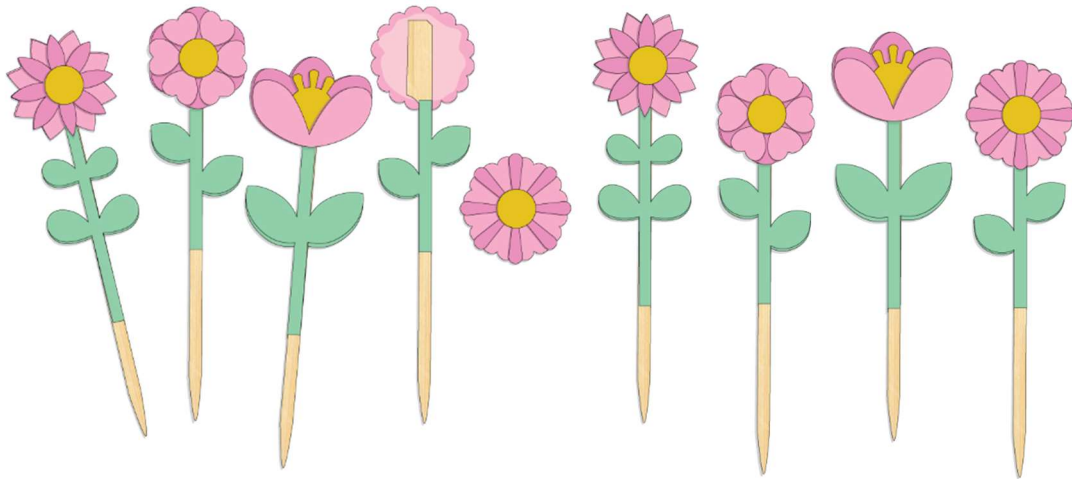

2. Apply adhesive to the back of the green stem and leaf pieces. Glue one on each side of the skewers and press together.

3. Arrange the petal layers and glue the center of the top petals to the bottom ones. Glue the flower pistil in the center. Shape the top layer petals and lift them up to create a 3-dimensional effect.

4. Glue matching flowers on each side of the skewer.
